

Scope of the Event

Scientific

- Biomedical Applications of Nanoparticles
- Nanotherapy for Cancer
- Nanodevices
- NanoCarriers
- NanoCoatings
- NanoMotors for Medical Applications
- NanoBioAnalytics
- NanoMaterials
- NanoSensors
- Drug Delivery
- Tissue Engineering and Biocomposites
- Toxicological Aspects
- Nanomaterials for Dentistry

General

- Regulations for Nanomedicine Products
- Investments in Nanomedicine
- Public Funding of Nanomedicine
- Intellectual Property
- Networks

Call for Papers and Posters

For abstract guidelines please go to
www.cc-nanochem.de/nanomed-ag.htm

Submission deadline: September 30, 2005
Acceptance notification: November 15, 2005

Proceedings will be published in a special issue of
the "Journal of Nanoscience and Nanotechnology"

Steering Committee

NanoMed 2006

5th International Workshop on Biomedical Applications of Nanotechnology

Logenhaus, Berlin, Germany

February 16 - 17, 2006

www.cc-nanochem.de/nanomed.htm

Organized by

CC-NanoChem and CC-NanoBioTech

Official networks for chemical nanomaterials and
nanobiotechnology of Germany

Venue

Logenhaus Berlin
Emser Straße 12/13
D - 10719 Berlin, Germany

A historical building in the heart of Berlin, near Kurfürstendamm and Zoo station.
